MULTICHANNEL DESIGNER

LANGUAGES

- **Italian** · native
- **English** · C1
- **German** · B2

PROFILE

Multichannel communication graphic designer with a technical and creative profile. I work with classic design tools and with artificial intelligence tools, and I combine them to reach more advanced and complex results than either allows alone. I have worked in studios and international settings across Italy, Spain, Romania, the Netherlands and the United States. I am looking for a creative team where I can grow, bringing energy and attention to detail.

EXPERIENCE

Feb – Apr 2026
Internship · Studio 157
AI-generated ad spots with Google Flow, Claude Code, After Effects and Premiere Pro
Oradea, Romania · 210 hours
